Objective

Detail-oriented IT enthusiast with a strong foundation in programming and software development. Seeking an entry-level IT position to utilize technical skills for delivering excellent customer service, troubleshooting technical issues, and improving computer systems and technology infrastructure.

Education

(Feb 2024 – CONTINUE)
University Of Professional Studies, Accra
Bachelor of Science, Information Technology

• Currently pursuing my third year of undergraduate studies in Information Technology, developing a strong foundation in programming, software development, and computer systems, and building a solid understanding of data structures, algorithms, and computer networks..

Experience

(Oct 2023 – Dec 2023)
IT Support & Repair Apprentice
Isotec Security Systems, Oyarifa, Teiman, Accra

• Diagnosed hardware and software issues on laptops, desktops, smartphones, and tablets under the mentorship of an experienced technician..

• Performed physical repairs including screen replacements, battery swaps, RAM/SSD upgrades, and power supply installations. .

• Assisted in managing device intake, documentation, and workshop organization..

• Interacted directly with customers to explain technical issues, repair options, and estimated costs in clear, non-technical language. .
